# Recruit New Teachers

Discover ABCTE's cost-free recruitment services for charter schools

Do you struggle to find talented new teachers for your school? Find out how you can partner with ABCTE to recruit professionals who want to change careers and become teachers.

ABCTE offers the Passport to Teaching certification, a route to full certification and "highly qualified" status for career changers in several states.

Visit our booth for more information.

**CALL NOW TO SCHEDULE A TOUR OF OUR  
ALBUQUERQUE CHARTER SCHOOL PROJECT**

Edison Charter Schools works in partnership with local leaders who want to provide the children in their community with a world-class education. The keys to Edison charter partnership schools' successes include:

- a research-based school design
- proven achievement management systems
- extraordinary professional development for teachers and school leaders
- extensive use of technology
- efficient back-office systems that allow more dollars to be allocated to achievement.

Our record speaks for itself:  
Edison students are improving at rates  
that exceed national averages.
